**Christian Science Bible Lesson Summary Ideas**  
Ideas offered for your consideration by Trevor Leach CS  
**for Thanksgiving 2011**

- Subject      THANKSGIVING
- GT            Sing joyful songs to the Lord
- RR            Praise ye the Lord who heals and blesses with peace. His understanding is infinite.
- I              Soul has infinite resources to bless mankind. Be grateful for the good already received. Lean on the sustaining infinite.
- II             Behold in Science the perfect man. The Kingdom of God is within you. Walk in the Truth and call down blessings.
- III            Realise the presence of health and bless. Realise harmonious being is a fact. Let Life, Truth and Love dawn in faith.
- IV            Now are we the sons of God. Replace poor thought models with a Christlike understanding of scientific being.
