Michael Pabst is an international speaker, practitioner and teacher of Christian Science healing, from NY, New York. Michael grew up in Germany and has been a life-long Christian Scientist. While he was still a university student he began to heal other people through prayer. He graduated with a degree in civil engineering but his love for the tangible effects of prayer soon drew him into devoting his life fulltime to helping others as a Christian Science practitioner.

Hear an interview with Michael on 1310 KXAM at 7:30am, Sundays: March 16th and 23rd

Free Parking available and Child Care provided.
