

KEEP YOUR VIOLIN IN TUNE!

Oh keep your violin in tune
Each second of the day,
For when the Christ picks up the bow,
Divinely you will play.

Oh keep your violin in tune,
Each and every string;
And Christ will play a symphony
That soars as bird on wing.

At one with God, we are His tune,
His touch so Masterful;
Inseparable from Soul, that's us!
God's music - wonderful!
