

# REFLECTING LOVE

**We need not fear the future, -  
Just drop the sense of time!  
For God is speaking NOW to us,  
—and WITH GOD ALL IS FINE.**

**In trust and strong obedience,  
We hear so clear LOVE'S VOICE,  
It guides us what we have to do:  
LOVE is our ONLY choice.**

**We trust Thee Father-Mother,  
We're ALL-WAYS in Your sight:  
In Love's happiness we shine,  
Reflecting LOVE'S PURE LIGHT.**
