

INFINITY!

**Look up into the star-filled night.
Imagine the distance of the furthest constellation.
Reach out to all that lies beyond.
Behold and believe INFINITY.**

Behold and believe in God, the All-in-all of infinity.

**In the beginning the Word of God spoke
and was heard by man.**

The Word is speaking ever now.

**Principle, governing all that is;
Mind, omniscient wisdom holding all in its grasp;
Life, the eternal vibrancy of existence;
Love, tenderly watching over its own;
Soul, harmony in perpetual action;
Spirit, the essence of life;
Truth, which always is.**

Look up and look around, wherever you are.

See, listen, and know.

The infinity of God is the completeness of man.

Now and always.
