

“Hello friends,” dear class,

Conspiracies can be as harmless as children hiding from a searching playmate, or as dangerous as a coordinated effort to inflict major damage. But the biggest conspiracy of all is exposed in this Bible Lesson titled “Life,” the fiction that man is trapped in an aging mortal body and helpless to stave off the destructive impact of time. “Time-tables of birth and death are so many conspiracies against manhood and womanhood,” Mary Baker Eddy writes in *Science and Health with Key to the Scriptures* (p. 246, citation 10). Throughout each section, **this Bible Lesson teaches that understanding God as eternal Life transforms our experience here and now**, as Christ Jesus proved with the raising of Lazarus from his tomb (see John 11, cit. 17). Now the bells no longer clang, but peal with joy!

Inside the Lesson/Overview:

Golden Text: God is my Governor

Responsive Reading: God is my salvation and my Life/ I dwell in the House of my God/ God’s Love is my enlightenment.

Section 1: SING IT, SISTERS! 🎵🎵🎵 LIGHTEN “...UP AND FLY RIGHT...”/ Don’t be fooled by the material senses/ God’s blessing is the fact of eternal Life and God’s everlasting government/ Put off the mortal darkness, put on the light of Divine Truth, Life and Love/ I trust God, Divine Principle, and His goodness.

Section 2: TIME FLIES/ Time is man-made. It’s no part of eternity/ Correct error with spiritual fact/ Defeat error and reveal the reign of harmony/ Be satisfied with the goodness of God/ Rejoice and understand God, Spirit, Soul, is Life, this is God’s day/ In Divine consciousness eternity is forever infinite/ In this Divine moment infinite Truth brings light and understanding.

Section 3: YOU LOOK GREAT FOR YOUR AGE, AKA “YOU LOOK MARVELOUS, DARLING!”/ Aging is no part of Life/God/ I am planted in the House of the Lord and wholly follow God’s Divine directions/ Be governed by immortal Mind and overcome the error of limitation/ Man the reflection of God thinks no error, entertains no mortal dreams.

Section 4 TOUCHY, TOUCHY, WHO GOES THERE? TIME TO LET IN THE LIGHT!/ Longstanding false beliefs have no reality/ As the son of righteousness reach out to Christ and be comforted by the spiritual & perfect/ Conquer faith in matter, correct material belief with spiritual understanding/ Understand Life is God and let the perfect model be present in your thoughts.

Section 5: THE BIG FOUR AND A CROWD THAT WOULD MAKE YOU WEEP ☹/ The Christ is always available to heal so-called terminal cases/ Man as reflection cannot be separated from God, Spirit and harmonious Life/ Overcome mortal belief with the spiritual evidence of Life/ Take away the stone, loose him and let him go/ Exchange C.S. for corporeal sense/ Supplant error with Truth/ Replace mortality with immortality/ remember the 3 Rs: reject, replace, rejoice.

Section 6 - Summary: THE NEVER ENDING STORY/ Progress out of false beliefs about mortality and time “unto the perfect day.”/ My Christly inheritance is eternal Life and my salvation, gives me dominion/ Know God, infinite Mind, as your Father and mortality disappears Being is holiness, harmony, immortality/ Demonstrate God is your life.

See you in the morning and we will celebrate “Life.”

With love, *Mrs. Davis* ☺*xo*
