

Removing Mental Malpractice

Begin with: “in sense it is an unreal concept of the so-called *mortal* mind.”
Connect that thought to: “Science shows that what is termed *matter* is but the subjective state of what is termed by the author as *mortal mind*.” (S&H) Mental malpractice is unreal concept of subjective belief. That’s removed!

Now, you are always, in divine Science, at the standpoint of perfection. That is where God sees man.

Be the law of God.

Unreal concept plus subjective state pretend as mental malpractice. Truth destroys mental malpractice.

Mental malpractice hides in ignorance.

You know! You know exactly what defines mental malpractice – unreality and unreality – unreal concept and unreal subjective.

Mental malpractice is false conception and false subjective. That’s the head and tail of the serpent.

And you are God’s law manifested – the law of good, or God, and with only good effects.

Never leave it there. The activator of mental malpractice is “Depravity.” Its characteristic is “PHYSICAL” or unreality. (S&H) God, or good, is the law of removal to Depravity.

You must *know* that you are, in Science, *that* law manifested. Therefore there is no activator of mental malpractice. There is no one to activate because you see your neighbor as yourself in the mirror of divine Science. And Truth takes care of the situation.

Truth manifests the real concept and real presentation. Consciousness eliminates error—the error of mental malpractice or seeming activation of the “PHYSICAL.” Error is both the false concept and the false subjective.

Malpractice removed fill *your* thought with **all** good everywhere. Leave no vacuum or dark image. All unreality must go.
