

MARTHA, MARTHA

Luke 10:38-40

I'll just do this before I sit down.
It won't take long. Oh please do not frown!
It needs to be done; it's plain to see.
Mary won't do it. Has to be me!

I'll just get some drinks: it's been so hot!
You'll all be grateful, likely as not.
The cups need fetching; it's plain to see.
Mary won't do it. Has to be me!

I'm nearly through; the food's being cooked
Seating arranged, effectively booked.
-Just get some cushions: it's plain to see.
Mary won't do it. Has to be me!

There's other things should really be done;
"Jesus, it's simply not fair nor fun."
*"Martha, my friend, the choice is with thee!
Mary has chosen eternity."*
